Blood And Sacrifice The History

The blood of Jesus was poured out as a sacrifice for the sins of people. This one-time sacrifice became the completion of the law and marked a new covenant for those who would believe in His name. Before the death of Christ, the Jewish law required regular blood sacrifice offerings on behalf of sins.

Why was a blood sacrifice required in the Old Testament ...

Blood offerings. Basic to both animal and human sacrifice is the recognition of blood as the sacred life force in man and beast. Through the sacrifice—through the return of the sacred life revealed in the victim—the god lives, and, therefore, man and nature live. The great potency of blood has been utilized through sacrifice for a number of purposes—e.g., earth fertility, purification, and expiation.

Sacrifice - Blood offerings | Britannica

Blood sacrifice as found in the later higher cultures is a persistence of the ritual killing in a degenerated form. Because the victim is identified with the deity, later expiatory sacrifices also become intelligible: sin is an offense against the moral order established at the beginning of human history; the killing of the victim is an intensified act restoring that order.
