Once you've found a book you're interested in, click Read Online and the book will open within your web browser. You also have the option to Launch Reading Mode if you're not fond of the website interface. Reading Mode looks like an open book, however, all the free books on the Read Print site are divided by chapter so you'll have to go back and open it every time you start a new chapter.

### Datsun Haynes Repair

Haynes makes decent repair books, but when it comes down to it, they don't explain things that well. It can get confusing really quick, and isn't hat I would consider for a beginner. But it is useful, and has come in vital use.
