avoid it. It is a pain having to set up X3 manually, but nothing compared to the trouble of a . corrupted install. A lot of guys drag their X2 config files and drop them into the new X3 install. Don't do it.. All the file paths lead back to the X2 folders. and can cause a world of trouble. I open my old config and a fresh X3 config

So, I am using X3 on my home system, but I cant at work because I have Windoze 2000 on the work puter. The minimum requirements have not been changed on the mastercam website to reflect this change from X2 to X3. X3 wont work on 2000, XP is the oldest.. My question is this....What should my actua...
