LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Oral Pathology Clinical Pathologic Correlations

Diagnose oral diseases quickly and accurately! Oral Pathology: Clinical Pathologic Correlations, 7th Edition presents diseases and conditions by appearance and presentation, so that you can easily identify and plan treatment for common oral and paraoral problems. An atlas-style overview of pathologic conditions opens the book, and then each chapter describes pathologies in detail — depicting each with full-color clinical photos and photomicrographs.
