Description. Many of the early settlers came from the West Midlands in England, although the Maryland families were composed of a variety of European nationalities, e.g. French, Irish, Welsh, Scottish, Swedish, in addition to English. Maryland was uniquely created as a colony for Catholic aristocracy and gentry, but Anglicanism eventually came to dominate, partly through influence from neighboring Virginia.

Colonial families of Maryland - Wikipedia

The aristocracy is a social class that a particular society considers its highest order. In many states, the aristocracy included the upper class of people (aristocrats) with hereditary rank and titles. In some, such as ancient Greece, Rome, and India, aristocratic status came from belonging to a military caste. It has also been common, notably in African societies, for

Aristocracy (class) - Wikipedia

The English descendants and Puritan stock are mixed up with the old Dutch breed in forming the highest class of society, though not the most showy. Originally the set went to New England, and came straggling into New York City in the course of years.

New York City - The Artistocracy Of Old New York

View of the main facade, Stratford Hall, Westmoreland County, ancestral home of the Lee family of Virginia. They, along with the Byrds, Carters, Washingtons, Harrisons and others, were at the core of Virginia's aristocracy for centuries. First Families of Virginia (FFV) were those families in Colonial Virginia who were socially prominent and wealthy, but not necessarily the earliest settlers.

meanings of the term 'family' in the past, showing how the family was a locus for power and authority, as well as personal or subjective identity, and exploring how expectations as well as realities of family behaviour could be shaped by ideas of childhood, youth, adulthood and old age.

The Family in Early Modern England edited by Helen Berry

Many families that are 'blue-bloods' have ties to the Royal family, some going back centuries. And in Britain's tumultuous history, sometimes those families ended up on the throne themselves. A history of the British Royal Family is the history of the English aristocracy, and it's a history that continues to play out to this day.

English Aristocracy | England 101

For much of Western history, however, claiming foreign ancestry was the key to political legitimacy. From the Roman Empire to the Renaissance, noble families across Europe insisted that they were not related to the populations they ruled. They traced their ancestry back to illustrious foreign powers, including figures of myth and legend.
