

## The Vig

As recognized, adventure as with ease as experience very nearly lesson, amusement, as without difficulty as contract can be gotten by just checking out a book **the vig** also it is not directly done, you could understand even more vis--vis this life, on the subject of the world.

We manage to pay for you this proper as capably as easy artifice to acquire those all. We present the vig and numerous ebook collections from fictions to scientific research in any way. in the course of them is this the vig that can be your partner.

You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.

### Upscale Neighborhood Tavern - The Vig

vig. 1)the interest payment on a loan paid back to the creditor by a certain percent. 2)short for " vigorish " used in gambling;When wagering on a straight wager ( point spread or total), you lay a certain amount of money to win a smaller amount of money. The difference between what is wagered and what is won is called the 'juice' or 'VIG'.

### Urban Dictionary: vig

Vigorish (also known as juice, under-juice, the cut, the take, the margin, the house edge or simply the vig) is the fee charged by a bookmaker (or bookie) for accepting a gambler's wager. In American English it can also refer to the interest owed a loanshark in consideration for credit.

### Vigorish - Wikipedia

What is the VIG. Although the term is widely used in betting discussions, very few players know how to accurately calculate the vig of each betting site. Regardless, the expression "this bookie has a high vig" is often used when comparing bookmakers. Bookies use the vig to secure a certain profit on any event, regardless of the outcome.

### What is the Vig | Bookmaker Commission Explained | Vigorish

Quite simply, the vig, vigorish, or juice, is the house edge. The word itself carries a bit of a negative connotation because it is also used to describe the usually high interest charged by loan sharks. The goal of every sportsbook is to set lines that draw an equal amount of action to either side of a bet.

The title, The Vig, is puzzling. The word (short for vigorish) is the usurious interest that a loanshark extorts from borrowers on a weekly or monthly basis that typically tie them to him for many years, often making it impossible for them ever to repay the principal.
