Wildefire by Karsten Knight is what The Goddess Test should have been and wasn't. In fact, Wildefire does many things right that the YA genre has been getting wrong. Those involved in the recent uproar over the lack of cultural inclusion in this genre can take a nice, refreshing, Polynesian breath of fresh air.

Wildefire is the debut novel from Karsten Knight, and, though not without a few missteps, a strong first foray into the world of paranormal YA fiction with an Urban Fantasy (actually, would this be “rural fantasy” technically?) twist. Ash, our intrepid heroine, is easily one of my favorite aspects of this novel.
